WHAT IS THE INSURANCE BROKERS CODE OF PRACTICE?

The 2022 Insurance Brokers Code of Practice (**the Code**) sets out standards of conduct for all Members of the National Insurance Brokers Association (**NIBA**) and non-members who have subscribed to the Code.

The Code is independently monitored and enforced by a Code Compliance Committee.

The Code provides additional safeguards for clients that are not set out in the law. In some areas, the Code sets higher standards than those required by law. No part of the Code limits, or is intended to limit, a client's rights under the law.

The Code represents the commitment of Code Subscribers to clients, prospective clients and other parties with whom Code Subscribers interact in performing services.

The Code serves to guide Code Subscribers and consumers on what to expect throughout the client journey. It sets out the principles that shape the way Code Subscribers behave, deal with people and make decisions.

The Code was developed following close consultation with key stakeholders, including consumer groups, regulatory bodies, and the broader intermediated insurance industry.

The Code is accompanied by Code Subscriber and consumer information intended to provide guidance on certain topics referred to in the Code, including outlining Code Subscriber best practice, as well as helping consumers understand their rights under the Code.

Consistent with the commitment of NIBA and Code Subscribers to continuous improvement, this Code will be reviewed at least every three (3) years and whenever an urgent amendment is deemed necessary by the NIBA Board.

2.0 HOW THE CODE WORKS

2.1 Who does the Code apply to?

- (a) The Code applies to all Members of the National Insurance Brokers Association. Non-members may adopt the Code with approval from NIBA (**Code Subscribers, we, our, us**).
- (b) Existing Code Subscribers to the 2014 NIBA Code of Practice (**2014 Code**) must formally adopt the Code by 1 November 2022.
- (c) A list of Code Subscribers who have adopted the Code will appear on the Code website at: **www.insurancebrokerscode.com.au**

2.2 When does the Code commence?

- (a) This amended version of the Code takes effect from 1 November 2023 and applies to all Code Subscriber activities and dealings that take place from this date. The earlier version of this Code and the 2014 Code apply respectively to activities and dealings that took place at the time those Codes were effective and in place.

2.3 What the Code applies to

- (a) The Code applies to all services and activities a Code subscriber engages in when advising on or arranging general insurance and other related products on behalf of a client including services and products provided on a stand-alone basis (**Covered Services**).

This includes but is not limited to;

- (i) alternative risk transfer solutions such as discretionary mutual funds;
- (ii) premium funding arrangements;
- (iii) claims handling services; and
- (iv) risk management.

- (b) The Code also applies to a Code Subscriber's interactions and dealings with their prospective clients and other parties with whom the Code Subscriber interacts in performing services for their clients.

- (c) The Code does not apply where a Code Subscriber is arranging or advising on:
- (i) insurance, reinsurance or alternative risk transfer solutions for an insurer or reinsurer;
 - (ii) health insurance products issued by a private health insurer;
 - (iii) life insurance products issued by a life insurer; and
 - (iv) Excluded Services defined in section 6.4 provided to an insurer or reinsurer.

3.0

CODE SUBSCRIBER COMMITMENT

3.1 Code Principles

The Code is underpinned by a set of guiding principles outlined below (**Code Principles**). As Subscribers to the Code, we commit to the Code Principles and will work to embed them and the standards expressed in the Code in our organisation in a timely manner.

(a) Professional commitment

- (i) We will ensure we and our staff maintain and improve our competency through relevant qualifications, continued education and training.
- (ii) We will promote and uphold the ethical standards of this profession, including promoting the Code and the Code Principles within and outside our organisations.

(b) Ethical behaviour

- (i) We, our staff, and representatives will act honestly and with integrity in all dealings.
- (ii) We will comply with all relevant laws and obligations, including those obligations set out in this Code.
- (iii) We will not engage in any conduct with the intent to avoid or limit our obligations under the Code.

(c) Transparency and accountability

- (i) We will communicate with clients and prospective clients in a clear and timely manner.
- (ii) We will assist regulators, the Insurance Brokers Code Compliance Committee and external dispute resolution schemes (such as the Australian Financial Complaints Authority (**AFCA**)) to the best of our ability.
- (iii) We will hold each other accountable for the promotion and implementation of the Code, and for observing Code obligations.

3.2 Code Subscriber commitments

- 
- (a) We commit to act in accordance with the Code Principles when we:
 - (i) perform services for our clients;
 - (ii) engage with beneficiaries named in our client insurance policies;
 - (iii) engage with prospective clients, clients and their representatives;
 - (iv) interact with other insurance brokers, whether they are Code Subscribers or not;
 - (v) deal with insurers, insurer representatives (such as assessors, adjusters and experts) and other members of the insurance industry; and
 - (vi) respond to or assist regulators or other enforcement bodies and AFCA.
 - (b) By adopting the Code, we acknowledge:
 - (i) we have entered into an agreement with NIBA to comply with the Code;
 - (ii) if a Code Subscriber breaches its obligations under the Code, the Insurance Broker Code Compliance Committee may impose sanctions on it as set out in Section 11 of the Code;
 - (iii) we may be sanctioned by NIBA, subject to applicable NIBA member rules and regulations and/or Code Subscriber membership rules that apply;
 - (iv) a Code Subscriber is in breach of the Code if its employees, representatives or agents breach the Code when they are acting on the Code Subscriber's behalf;
 - (v) that the Code is designed to work with the laws that cover Code Subscriber conduct and go beyond standards required at law. The Code does not and is not intended to limit a client's rights at law;
 - (vi) that there may be other codes that apply to services provided by a Code Subscriber (for example, the General Insurance Code of Practice). When other codes apply to services being performed by us, we will comply with the higher of the Code standards that apply in performing those specific services.

4.0

ENGAGING YOUR BROKER

4.1 Understanding our role

- (a) Before we agree to act for a prospective client, we will clearly state:
 - (i) what services we are authorised to provide;
 - (ii) who we are acting for when responding to questions from a prospective client;
 - (iii) the extent of the services we are able to provide, including any limits on the insurance products we can arrange. For example, there may be limits due to our competency, insurers we can access and timeframes available;
 - (iv) that we are bound by the Code and provide a copy upon request; and
 - (v) if we cannot advise a prospective client or act on their behalf due to a conflict of interest which cannot be managed. We will immediately notify the client upon identifying such a conflict.

4.2 Terms of engagement

- (a) If a prospective client agrees to engage us, we will provide information in writing setting out the terms of engaging us before we begin to act on their behalf. If a prospective client wishes us to take immediate steps on their behalf, we will provide this information setting out the terms of engagement, as soon as it is practical to do so.
- (b) The terms of engagement will provide information including:
 - (i) the scope of the agreed services required;
 - (ii) whether we will provide advice based on personal circumstances or not;
 - (iii) how we intend to seek quotations from insurance companies; and
 - (iv) the remuneration we will earn by arranging insurance policies and/or providing advice on insurance cover. Remuneration details are outlined further in Section 6.
- (c) We recognise that regulatory requirements for the provision and disclosure of information can mean prospective clients and clients receive a lot of information when they engage us and when we provide them with advice. We will take all reasonable steps to ensure that we provide clear information so that a prospective client or client understands the services they will receive.

5.0

PERFORMING SERVICES

5.1 Communications

- (a) We will communicate with clients in a timely manner using clear and concise language and in plain English, subject to regulatory disclosure requirements.
- (b) When providing advice, we will take steps to help clients understand the advice we have provided including the costs, key risks and benefits associated with any products we recommend.
- (c) Section 5.1 (b) does not apply where general advice is provided in generic advertising materials.

5.2 Behaviour

- (a) We will provide services, interact with clients and those we deal with in the insurance industry in accordance with the Code Principles.
- (b) We will not tolerate discrimination, bullying or harassment by our employees, agents or representatives, and we will take appropriate action to discipline and/or prevent such behaviour occurring in the course of performing services.
- (c) We will take reasonable steps to ensure our services are accessible to clients with special needs and introduce training for employees to support clients who experience vulnerability.

5.3 Who we act for

- (a) When a client engages us as their insurance brokers and/or risk advisers, we have a duty to act in their best interests when acting on their behalf in accordance with relevant law.
- (b) We may at times act for insurers during the course of an insurance transaction, for example by arranging insurance and submitting claims electronically. While engaged by a client, we will not act for an insurer or another party where doing so would be contrary to our duty to act in our client's best interests in accordance with relevant law.
- (c) We will have policies and procedures in place so that we can identify and manage any conflicts of interest.
- (d) Where there may be a conflict of interest, we will contact the client in a timely manner and clearly inform them that there may be a conflict of interest. Where there is or is likely to be a conflict of interest, we will engage with the client regarding steps to manage the conflict in their best interests in accordance with relevant law and we may only continue to act on behalf of the client with their consent.
- (e) We will periodically review our policies and procedures to ensure that they are effective in identifying and managing conflicts of interest and are not creating unmanageable conflicts.

6.0

DISCLOSING WHAT WE EARN

6.1 Disclosing remuneration

- (a) If the client is a Retail Client (as defined in the Corporations Act 2001 (Cth)) and we are acting on their behalf, we will provide them with information about any remuneration (including commissions) or other benefits we will or expect to receive as a result of providing Covered Services. See Section 2 for more information on Covered Services.
- (b) This information must include:
 - (i) the dollar amount of commission we will or expect to receive in providing Covered Services;
 - (ii) any non-monetary remunerations we receive from insurers as a result of providing Covered Services;
 - (iii) any fees payable by the client in relation to our services to them; and
 - (iv) whether we intend to keep any portion of the commission or service fee if the policy is cancelled before it is due to expire.
- (c) This information will be provided at the same time and by the same means as our advice to our client. Where no advice has been provided the information must be provided to the client prior to payment.
- (d) If the amount of commission is not known at the time of the provision of advice an estimate needs to be provided and the actual amount must be provided as soon as reasonably practicable.
- (e) The obligations in section 6.1 will apply whether Covered Services are provided to a client under a personal advice or a general advice model as defined under the *Corporations Act 2001* (Cth).

6.2 Contingent remuneration

- (a) When acting on a client's behalf we will not receive any Contingent Remuneration or preferential remuneration from an insurer.
- (b) Section 6.2(a) does not apply when we are acting on behalf of an insurer or in relation to Covered Services effected under a binder arrangement.
- (c) Nothing in section 6.2 limits a Code Subscriber's obligations set out in section 5.3 and commitment to the Code Principles.

6.3 Non-monetary remuneration

- (a) When we are acting for a client, we may receive non-monetary benefits, including:
 - (i) access to technology platforms and IT support;
 - (ii) education and training;
 - (iii) membership services provided by insurance broker networks;
 - (iv) event sponsorship; and
 - (v) marketing assistance.
- (b) We will not accept any non-monetary benefits in exchange for Covered Services where doing so could reasonably be expected to influence the advice we provide.

6.4 Services provided to insurers and others

- (a) From time to time, we may enter into arrangements with insurers and others to provide services and support. These arrangements are not covered by the Code where they fall within the definition of Excluded Services.
- (b) Excluded Services means services provided to an insurer or another organisation and paid for by the insurer or the other organisation including:
 - (i) access to broker-owned and operated technology;
 - (ii) access to broker-owned intellectual property, including broker insurance wordings;
 - (iii) insurer consulting services;
 - (iv) data and analytic services;
 - (v) risk control and engineering services;
 - (vi) product development services; and
 - (vii) binder and cover holder activities outside arranging or advising on general insurance products for insured clients.
- (c) Arrangements for the provision of Excluded Services are commercial in nature, and the obligations relating to disclosing what we earn do not apply to those arrangements.

6.5 Remuneration review

We will periodically review our remuneration arrangements to ensure they are not creating unmanageable conflicts of interest.

7.0

MAKING A CLAIM AND RENEWING YOUR INSURANCE COVER

7.1 Claims management

- (a) We will keep clients informed in a timely manner regarding the progress of their claim.
- (b) When we receive an insurer's response to a submitted claim, we will notify clients of the outcome as soon as it is reasonably practical to do so.
- (c) If a claim is unreasonably denied or reduced by the insurer, we will act as claims advocates on behalf of our clients to try to get the claim paid to the extent covered by the terms of engagement.
- (d) We will advise clients if the insurer seeks to negotiate a settlement of their claim.
- (e) We will seek our client's instructions before agreeing to any settlement or compromise of their claim.
- (f) If the insurer declines to pay the client's claim, we will explain the reasons for the insurer's decision and outline what further steps can be taken, including steps to make a complaint.

- (g) Where we act under a claim's authority from the insurer, which is relevant to the client's claim, and exercising that claims authority may be a conflict of interest, we will contact the client in a timely manner, engage with them, and take reasonable steps to ensure that the claim is managed in their best interests in accordance with relevant law.

7.2 Policy renewal

- (a) We will contact our client well before and at least fourteen (14) days prior to the client's insurance cover expiry date to engage them on the next steps to be taken prior to the expiry of the policy, in accordance with the terms of engagement.
- (b) We will take appropriate, professional and timely steps to seek insurance cover terms and conditions and advise clients of available options (if any) for their consideration.

10.2 Supporting vulnerable clients

- (a) If a client or potential client tells us or we identify that due to a vulnerability, additional support or assistance is needed, we will work with them to try to find a suitable way to proceed. We will do this as early as practicable, whilst at all times respecting a person's right to privacy and self-advocacy.
- (b) If we are advised or we identify that a client or potential client requires support from a third-party (eg. a lawyer, interpreter, or friend) we will make reasonable accommodations to allow for this.
